Meg, here's an email you could send. Tim, thanks very much for the input:

Hi Emily,

Since time is short on the I-70 East project in Denver, I want to follow up on the productive conversation we had on Friday November 18 and touch base about what information we have vs. what we're still waiting on. I also want to confirm the timeline you're on. I believe we responded on the items you needed our input on but if there's anything outstanding on our side, please let me know.

Subject: RE: I-70 - spoke to Karen

Please draft me an email that I can send to Emily Biondi today to request again the information that we discussed at our recent meeting with FHWA. We need to be diligent in getting the information that we requested, and to confirm the timeline for the project, our litigation, etc.
